**Personal Cache Note**

Hi to all fellow geocachers!

We come from Czechia, a small country in the middle of Europe. You may know our country for the city Prague or Pilsen beer. In last few weeks, we were on roadtrip visiting a lot of interesting places in the southwest of US. Last thing we want to do before we take off back to Europe this afternoon is meet local geocachers. So come, we will be looking forward to you!

Don't expect anything fancy about this event, just a simple meet & greet in a park. We will bring logbook and be glad if you could sign it for us to have a memory for this event. But you may just come and say hi.

We will be there **from 9:00am to 9:30am on 13th May 2018.**

If the picnic table will be occupied, we will meet at the grass field nearby.

We are looking forward to you!

Niximor, Piškot1984, Merynka and Honny.
